SECTION 1 : INSTITUTIONAL INFORMATION

Institute Management Committee (IMC)

	<i>Name of member</i>	<i>Affiliation of member</i>
Chairman of the IMC	Shri Mahedrabhai S. Shah	Pratima Industries, Ruvapari road, Bhavnagar – 364001
Members of IMC	Shri Nirajbhai R. Joshi	Excel Crop Care Ltd., Ruvapari road, Bhavnagar
Members of IMC	Shri B. G. Patel	Steel cast Ltd., Ruvapari road, Bhavnagar – 364001
Members of IMC	Shri Jatin B. Thakkar	Hi-tech Investment Casting Ltd., Sihor, Di : Bhavnagar
Members of IMC	Shri Pankaj C. Pandya	Secretary, Saurashtra Chamber of Commerce, Bhavnagar OM Print Link Industry, G.I.D.C. Chitra, Bhavnagar
Members of IMC	Shri S. A. Pandav	Dy. Director (Trg.), Rajkot Region, Rajkot.
Member Secretary	Shri B. M. Chauhan	Principal, ITI Bhavnagar.
Members of IMC	Shri H. L. Chhaya	Foreman Instructor, ITI Bhavnagar.
Members of IMC	Shri C. U. Parmar	Student Representative, ITI, Bhavnagar
Members of IMC	Employment Officer	Employment Office, Bhavnagar

Meeting is arranged in every quarter with IMC.

Support of Local Industry

A letter from the IMC Chairperson indicating the managerial and technical support and the resources is attached.

Year of Constitution of the IMC: - 2006

INSTITUTIONAL DEVELOPMENT PLAN

From : Mahendrabhai S. Shah

CHAIRMAN - IMC
Industrial Training Institute,
Bhavnagar.

Date: 26/04/2007

To,

The Principal,
Industrial Training Institute,
Bhavnagar.

Sir,

Looking at the Industrial development in Automobile sector Industrial Training Institute, Bhavnagar which has been selected to be developed as a Centre of Excellence of Automobile sector. Amidst global boom of Automobile, the world is witnessing a sea change where Automobile sector has acquired a whole new dimension in the 21st century. It is the Industry of wheels which keeps the nation on the move. This is a sector which can be use as a lever of Industrial growth and employment.

In accordance to development in Industrial sector numerous courses are being conducted at Industrial Training Institute, Bhavnagar. Under the Center of Excellence scheme, Institutional Management Committee is passionate to make all type of efficient efforts to get necessary co-operation from the local industries and to achieve targeted goals.

On behalf of Institutional Management Committee, Bhavnagar I wish grand success to collaborative efforts of the institute and local industries to make the vocational training global in this worldwide competition.

Thanking You,

Yours Faithfully,

(M.S. SHAH)
CHAIRMAN,
Institutional Management
Committee
Industrial Training Institute,
Bhavnagar

INSTITUTIONAL DEVELOPMENT PLAN

SECTION 2: FACTORS AFFECTING THE PERFORMANCE OF THE INSTITUTION

(a) What developments or changes would you like to introduce for better management of your institution?

- i. Functional Autonomy and De-centralization of power for IMC.
- ii. Salary package would be offered for a prescribed training to guest lecturer and contractual staff to fulfill the shortage of staff.
- iii. No transfer of CoE staff for at least five years.

(b) What sort of training does your teaching staff require? What sort of training does your non-teaching staff require?

- i. Training for operating and maintenance of newer Machinery & Equipments.
 - ii. Training regarding the recent development and modernization in teaching methodology.
 - iii. Industrial training where latest machineries are available.
- For non-teaching staff;**
- i. Training of Administration and Automation in record keeping.
 - ii. Training of Computer Operations like MIS, Financial Accounting etc.

(c) What teaching facilities and learning resources does your institution require?

- i. Multimedia Class Rooms, Workshops, Machineries equipments and other infrastructures.
 - ii. Advanced machineries and equipments for newly introduced courses.
 - iii. G-Sat facility is required.
- Learning Resources;**
- i. Standard Instructional material in English as well as in Gujarati.
 - ii. Latest Audio Visual Aids.
 - iii. Presentation CDs and latest technological books.

INSTITUTIONAL DEVELOPMENT PLAN

(d) Could you improve the number of female students in your courses? How would this be done?

- i. We will arrange the campaign at girl's school.
- ii. IMC will help to give employment to female students.
- iii. Modular Employable pattern courses will be introduced.
- iv. Increased amount of stipend will be offered for girls.

(e) Could you improve the number of students from disadvantaged backgrounds in your courses? How would this be done?

- i. Campaign at school level as well as in the slum and rural area to motivate the disadvantaged backgrounds students.
- ii. IMC will help to give employment to these students.
- iii. Importance of Short Term Courses and Modular Employable Scheme will be explain to these group and motivate them to join these scheme freely.

(f) How could you improve your linkages with the local labour market? Do you need to improve your linkages with labour markets outside your locality and if so how could you go about it?

- i. Seminar of all Industrialists of the district will help to improve linkage.
- ii. Campus interviews will helpful to improve the linkage.
- iii. Continuous feed back from industries which absorbed our trainees.
- iv. Interchanging faculties from Institute to industries and from Industries to Institute.
- v. Job work possible to do at Institute will be done at Institute.
- vi. Old machinery exposed by industries may be utilized for demonstration purpose at institute.
- vii. Workshop with Industry experts from H.R. department can help trainees for performance development in personnel interviews.
- viii. Big industries can be invited for M.O.U., which are stated outside the district, but their market is in the district also.

INSTITUTIONAL DEVELOPMENT PLAN

SECTION 3: SHORT AND MEDIUM-TERM GOALS OF THE INSTITUTION

(a) How do you want to use the Project to introduce better management of your institution?

- i. Introducing new trades by replacing non popular trades and with the help of project fund, sanction seat will be increased.
- ii. More financial support with specific goal from the project will help to increase sanction seats.
- iii. Project will help to establish e-governance.
- iv. ISO certification and TQMS will be obtained.

(b) How do you want to use the Project to provide training to your teaching staff and to your non-teaching staff?

- i. Autonomous of institute with the role of IMC.
- ii. Separate fund will help to train teaching and non-teaching staff.
- iii. At State or National level, program for training will be helpful.
- iv. Project management software will be help full.

(c) How do you want to use the Project to improve your teaching facilities and learning resources?

- i. Fund from the project and IMC will help for selection and procurement of Equipments and construction of building.
- ii. Trainers training to improve teaching methodology.
- iii. Latest books, technical CDs and multimedia facility will improve the teaching and learning facility.

INSTITUTIONAL DEVELOPMENT PLAN

(d) How do you want to use the Project to increase the number of female trainees in your courses?

- i. A new courses and separate new building for female to train 200 female will be provided in a year.
- ii. Special efforts to encourage such groups to join multi skill courses and help to give employment with help of project fund and linkage with the industries.

(e) Use of Project to increase the number of trainees from disadvantaged backgrounds;

- i. New employable courses for disadvantaged background students to train 200 students per year will be provided in a year.
- ii. Special efforts to encourage such groups to join multi skill courses and help to give employment with help of project fund and linkage with the industries.

(f) Use of project to improve linkage with local or external labour market;

- i. Open house sessions with industrialists twice in a year.
- ii. Survey for introducing new courses once in a year.
- iii. Periodical Industrial visits.
- iv. Inside and Outside Campus interviews with the help of Employment office and appropriate branch of district office quarterly.
- v. Our website will be help full accordingly.

INSTITUTIONAL DEVELOPMENT PLAN

SECTION 4: ACTION PLAN

Do you intend to establish a Centre of Excellence **and upgrade related trades?** **Yes**

If Yes:

Which trade sector do you prefer? Automobile Sector

Why did you choose this sector?

We have chosen this sector because of the recent development is rapid in the automobile trades. Vast job opportunities are observed in these fields. Multi Skill Modular training is also useful for employment in recent development of Mechanical and Production sector industries in the district.

What second preference would you have? No second preference

Which **individual** trades would you prefer to upgrade?

1. **Fitter**
2. **Welder**
3. **Mechanic diesel**
4. **Mechanic Motor Vehicle**
5. **Computer Operator cum Programming Assistant.**
6. **Electronics Mechanics / Electrician**

We have chosen these trades since different modules of Centre of Excellence in Automobile sector consist these trade's training. IMC also suggested developing these trades co-relatively.

INSTITUTIONAL DEVELOPMENT PLAN

What resources do you need to upgrade your institution as a COE or to upgrade selected trades?

Civil works – describe and justify any civil works you want to undertake;

- i. Construction of two workshops for Advanced Modules of Centre of Excellence.
- ii. Construction of Three class rooms on reserved land for advanced module.
- iii. Sanitation facilities with drainage link for good house keeping.
- iv. Workshop floorings, windows, shutters, Air conditioners etc. for modifications in up gradation of related trades,
- v. Construction of Conference hall, English Communication lab to improve training facilities.

Goods– describe and justify all goods you want to procure

(a) Equipments

Equipment for advance module of Auto Sector, Module No. 1, 2, 3 and some equipments for BBBT module are required as per syllabus prescribed by D.G.E.T.

(b) Vehicles

Mini bus required for Industrial Visit.

(c) Furniture

Furniture for Class rooms and Workshop is required as per norms. Old furniture is required to be replaced by newer ones.

(d) Books, Learning Resources and Software

- i. Books and software published by NIMI and some popular publications are required time to time as per development of curriculum and for new sector.
- ii. MIS software required.
- iii. Multimedia resources and software is necessary.

INSTITUTIONAL DEVELOPMENT PLAN

Training of Staff – describe and justify the training needed by your staff. (Please fill-up the **Annexure to IDP**)

(a) Training of Teaching Staff

- i. Entry Level training to inexperienced instructors.
- ii. Advanced / Refresher training to experienced Instructors.
- iii. Special training for latest equipment at industries or at manufacturing industries who supply the equipments.
- iv. Training is essential since it should be organized periodically and this process should be a continuous one.

(b) Training of Non-Teaching Staff

- i. Administrative staff requires Asset Management, Financial Management, Resource Management, Human Resource Management and Record Keeping.
- ii. e-governance and MIS software training will be helpful.

Incremental Operating Costs

(a) Additional Staff - describe and justify any additional staff you need

- i. Three Instructor staff is required for BBBT and Advance module.
- ii. One T.C.P.O. is required for monitoring of scheme and survey purpose.
- iii. One Full time librarian is required.
- iv. Two Contractual, Two Workshop attendant and Two Sweepers are required.

(b) Consumables and Training Materials

- i. For practical training, consumable material is required. For this, according to syllabus, monthly planning will be prepared and requirement of consumable articles will be listed and quarterly procurement will be done.
- ii. Routine and preventive maintenance will be carried out as per maintenance schedule. For this, replacement of parts, circuit and in some cases, annual maintenance contract charges are required to be paid.

INSTITUTIONAL DEVELOPMENT PLAN

Section 5: Resource Requirements

We need to procure the resources we described in the previous section.

2006-07	2007-08	2008-09	2009-10	2010-11
Civil Works(for Sector Development + Up gradation of related trades)				
-	50 Lac + 46 Lac	-	-	-

Total Expenses(for Sector Development + Up gradation of related trades)				
4.87 Lac	151.9 Lac	58.35 Lac	65.4 Lac	349.25 Lac

INSTITUTIONAL DEVELOPMENT PLAN

Section 6: Achieving Sustainability

Industry will help to sustain gains made under the project.

Continuing Support from Industry

(a) Will Industry support (involvement of industry representatives, physical resources, financial assistance or other support) continue and what form is this likely to take?

- i. Production and job work will be done and services will be utilized to generate revenue and make training more effective and viable.
- ii. Revenue will be generated by the testing and certification charges.
- iii. In plant training will develop the involvement of industries.
- iv. Exchange of faculties and transfer of technology and knowledge of institute and industries through IMC.
- v. Formation of policies for extending training for informal sector and their by local employment need will be fulfilled.
- vi. Donations/subsidized purchasing of equipments and machines.

(b) Any other outstanding achievements of the Institute?

- i. We have created our own institutional website which is running successfully.
- ii. Institute is registered to CII.
